PERTINENT INFORMATION

14.

A new development in the UJNUTLET case was reported to the RIS on November 19, 1958. UJNUTLET has written a letter to his RIS case officer stating that V-2982 has recently requested UJNUTLET to act as a letter drop for him. UJNUTLET also included in his letter to the RIS the fact that V-2982 has now admitted to UJNUTLET that he is chief of a special Dienststelle which is in contact with various sources who come to Germany on ships touching at various ports. Although UPSWING cannot of course predict exactly how the RIS will respond to this letter, there is the hope that the RIS' interest in UJNUTLET will be increased by this latest development. The sending of this information constitutes the first instance of UPSWING's intention to play the operation somewhat aggressively. Up to this time it will be recalled UJNUTLET has been permitted to report to the RIS only the fact that he has been able to establish contact with V-2982, that he had been able to cultivate him quite well, and that although UJNUTLET was not positive, it seems quite clear that V-2982 is in the intelligence business (the fact could hardly have been news to the RIS which first alerted UJNUTLET to the fact that V-2982 is indeed engaged in intelligence activities). It is possible that the RIS will react to UJNUTLET's latest information in such a way that the operation will be possible so that the RIS will respond in such a way that a special play can be arranged.
